

Good Neighbour Award 2020

This is your chance to say ‘thank you’ to a Railway Housing Association resident who goes out their way to help, someone who shows kindness and consideration and makes life easier for others.

If someone has helped you or others and you think they deserve a little recognition, then why not nominate them for the Good Neighbour Award?

It’s often the small things like collecting prescriptions, giving you a lift to the shops, taking out your bins that make such a difference.

Do they help with your garden or do the shopping when you can’t?

Have they looked after your children?

Perhaps they do voluntary work in your local community or have just been there when you needed someone to talk to?

Nominating someone is easy! Turn over and fill in the form to tell us the name of the Railway Housing Association resident and the reasons why you think they deserve the recognition.
